

To: Parents/Guardians
From: Brandon Brummert (Park Director)

The Oakfield Summer Recreation Program will begin on Tuesday July 5, 2011. This summer recreation program is offered for children ages 5-12. Our program runs for five weeks every Monday-Friday from 9am-4pm. Please bring your child's registration form to the park program on the first day your child attends.

Lunch will be from 12pm-1pm. Children may bring a packed lunch or they have the option of purchasing individual slices of pizza from Santinos Pizzeria. Also, the Little League stand will be open during park hours for children to purchase additional snacks and beverages.

Every Tuesday and Thursday from 1pm-3pm, we will be going to the Haxton Memorial Library. Children will have the option of either attending the library or staying at the park during this time. At the library, we will be watching a movie. Children also have the option of taking out books to read but they will have to register for a personal library card and they will be responsible for bringing the books back when they are due.

On the day of a field trip, every park counselor will be attending. Therefore, the park program will be closed during these days. It's important to hand in all permission slips and money for each field trip before the deadline. This year we will be attending the Seneca Park Zoo, the Rochester Planetarium and Museum, a Batavia Muckdogs baseball game, and Skateland.

For more information on the Oakfield Summer Recreation Program including printable schedules, registration forms, and field trip permission slip forms, you can visit our website at www.townofOakfieldny.com or you can contact me at (585)765-5168.
